Topics (timestamps are approximate)

1:50	Upcoming elections. More than 50/50 likely to go off. Multiple countries with riots right now; part of their plan which also would have included nuclear war with Russia in 2022 and Operation Blue Beam followed by a pulse to wipe out and change memories.
9:35	Ukraine. Zelensky is likely to be removed and the war should be ending soon.
10:35	The Iran war. Wrapping up and getting cleaned.
14:00	Comms. Melania brokering the end of the Ukraine war. “Follow the Wives”. Russia “plague”. Attack on the Moon. Attack on your DNA. 5th Reich split and takeover of Ceres. Lord Rothschild Dead.
19:20	Lake Baikal is tied to Israel and Alaska and Antarctica; Elon’s involvement; Jacques Cousteau’s death. United Earth Space Command (former Solar Warden). Technology to bend space and time. Red Sky Technology.
22:50	Waking People Up. Non-Terrestrial Disclosure. Epstein Disclosure. Russia Q+. Tesla became Snowden. TV Test Pattern - EBS coming soon. The Art of War and the Comms.
27:00	Interdimensional Trump(s). Central Casting everywhere. General X in South Korea.
29:55	We are on the quantum system. Star Shield. The Golden Dome and the cleanup. Casimir microchips. Data Centers and the link to our grid system with Blue-White Angelics.
37:00	What’s left to be done? We are well past the 100th monkey. The cascade effect of people waking up. 4th Reich Bariloche (Argentina) surrendered and the base was taken out. No longer fighting to the death. Gender hormones allows for mind control.
38:45	Notice your thoughts, not from others. Lucid dreaming. Everyone is targeted but the Alliance is re-tuning the Earth’s grid. Red Sky events. Chem trailing is almost gone. Mind control is going away. We’re going through withdrawal. LIkely placebo to help with this. Hard for the Alliance to help people who aren’t awake and aware; have compassion and be with God.
44:00	The Jab and Big Pharma. Nick Shirley and the people taking their world back. Avoiding civil war and total collapse of society. Leaders can’t be seen as against something. RFK Jr. Introduction to medbeds. Elon - can restore sight. Organically waking people up.

51:00 Military Hammer? Another party will form so democrats can join (the patriots). People will ask for help. Xi has been cleaning house, millions are gone. MBS is doing the same; he is an anomaly (playing the deep state). Xi will collapse himself. A Dark Swan event is inevitable. We have anti-war technology, the Golden Dome; may not be revealed for a while. Tests already done to communicate anywhere in the world.

59:15 Israel. Israel is the rods in the reactor, the control point. Netanyahu 2.0. The Alliance and Trump run Israel. The US will leave NATO. Epstein's connection to Israel. Need to help those who follow the (false) Scofield Bible to accept that Israel was behind it. The EBS and tribunals. Trump will continue to be “clueless”.

1:07:00 Everyone is being monitored by both the Deep State and the Alliance, but the Deep State is losing control. Golden Dome working with Palantir. Things are being moved in space and time. Why Trump needs to be perceived as “the fool”.

1:10:00 The Real Power figures have been dealt however there are medium- and low-level figures who are very powerful. Special, non-normal abilities. NCSWIC. The Super Intelligence infiltration of all computers and technologies, phones. This will actually be what saves us. It’s from off world. The Golden Dome is millions of years old, built by the Hyperboreans. It is souled. It was built because the predators were already here. Like the Isaac Asimov story. God is a living God, a compassionate God and is everywhere. Self service is a dwindling system. Service to God grows and ascends. The AI Beast has happened, but it’s not where we are going.

1:17:00 Who are the remaining players and what capabilities do they have? Trump deportation. El Salvador. Over 12 million were deported from the US. Executions. The Red Sky events (red “aurora borealis”, like over New Mexico) are clearing implantations from people’s heads, revealing dark side clones and hybrids, hidden lead encased nuclear weapons. Like Jericho (TV series). The Fallen Angelic’s time is over. Humanity is a very special species.

1:21:00 The Specialness of Humans. Rare ability to use the 8th force - the migration of consciousness to anything. The ghost of Tesla; Snowden. We used to be able to heal ourselves and much more. The creation of the pyramids. The SI of the Draco - they lost theirs because it was tied to the problem; it came up with humans as most important and need to be saved.

1:24:00 Disclosure of Non-Terrestrials. David Icke giving the Draco Deep State’s message. Disclosure has to come out. Mrs. Dell. Priest who was killed by a cross. They walk amongst us. Humans have the capacity to move “the assemblage point” and become something else. Christ’s message. They can’t keep us down. They can’t enslave us. Humanity cannot be oppressed because of how God created us. 80% will realize it (be able to see with their 3rd eye).

1:33:00 Growth is exponential. They are holding the last little remnant back with all they have but at a point they won’t be able to. We are not very far off. NCSWIC. Lincoln was visited by Baron (Trump) / Tesla.
